[Reproduced from *Resolutions and Decisions Adopted by the General Assembly during its 33rd Session (1978-1979)*: A/33/45 (GAOR, 33rd Session, Suppl. No. 45)]

### **33/426. Establishment of an agency or a department of the United Nations for undertaking, co-ordinating and disseminating the results of research into unidentified flying objects and related phenomena**

At its 87th plenary meeting, on 18 December 1978, the General Assembly, on the recommendation of the Special Political Committee adopted the following text as representing the consensus of the members of the Assembly:

"1. The General Assembly has taken note of the statements made, and draft resolutions submitted, by Grenada at the thirty-second and thirty-third sessions of the General Assembly regarding unidentified flying objects and related phenomena.

"2. the General Assembly invites interested Member States to take appropriate steps to coordinate on a national level scientific research and investigation into extraterrestrial life, including unidentified flying objects, and to inform the Secretary-General of the observations, research and evaluation of such activities.

"3. The General Assembly requests the Secretary-general to transmit the statements of the delegation of Grenada and the relevant documentation to the Committee on the Peaceful Uses of Outer Space, so that it may consider them at its session in 1979.

"4. The Committee on the Peaceful Uses of Outer Space will permit Grenada, upon its request, to present its views to the Committee at its session in 1979. the committee's deliberation will be included in its report which will be considered by the General Assembly at its thirty-fourth session."
